CSR 1
Quincy RMV
Years of Service: 2

Q: What is one aspect of your job you enjoy?

A: I enjoy learning something new almost every day.

Q: What has your experience been working at the RMV during the COVID-19 crisis?

A: It has not been easy. We are living in a new normal where health and safety is being addressed in new ways. Learning to adapt has been one of the biggest challenges.

Q: Why did you become a Steward?

A: I really want to help my coworkers get the most out of their employment. Especially during this trying time, it is important to make sure everyone's concerns are heard and represented.

Q: What's a fun fact about yourself?

A: I was a Fine Arts major in college at an art school in Boston.
