¹ An employee's updated seniority date is considered a working date because it is subject to change if it is determined to be inconsistent with the provisions of the collective bargaining agreement.					
² An employee's updated rank is subject to change based upon terminations, promotions, and appeal results consistent with the provisions of the collective bargaining agreement.					
³ Susanne Freitas was missing from original list. Not sure what her placement should be on 5/19/86.					
⁴ Heath Joseph is not ranked correctly. We need the lottery results from the 6/7/04 CO hire to see where he should be ranked among CO's that were new hires, not promoted ACO's.					
⁵ Raymond Gonzalez is not ranked correctly. We need the lottery results from the 6/1/04 ACO hire to see where he should be placed among the CO's appointed on 6/26/06 that were ACOs hired on 6/1/04.
