CSR I
Springfield RMV
Years of Service: 2.5

Q: What is one aspect of your job you enjoy?

A: I absolutely enjoy interacting with the various people from the community. Also, I ADORE my work family. That is exactly what we are, a big family to enjoy daily!

Q: What has your experience been working at the RMV during the COVID-19 crisis?

A: It has been very trying, having experienced it for myself. The fear of contracting the virus continually is a constant fear. PPE is a high priority on my list, and I try to enforce it daily with the clerks I am surrounded with.

Q: Why did you become a Steward?

A: I believe our rights as a person matter as well as an employee matters. Equality, hope, understanding, love, and understanding is high on my radar and I choose to fight for that in our clerks.

Q: What's a fun fact about yourself?

A: On my spare time, I custom design shoes as a side hobby.
