This Collective Bargaining Agreement entered into this 30th day of January 2009 by the Commonwealth of Massachusetts acting through the Commissioner of Administration and Finance and his/her Human Resources Division, hereinafter referred to as the "Employer", or the "Commonwealth"; and by the National Association of Government Employees, hereinafter referred to as the "Union"(of which Local R1-207 and R1-282, the Massachusetts Association of Professionals is an affiliate); and has as its purpose the promotion of harmonious relations between the Union and the Employer. To this end, the parties recognize the importance of dealing with one another with mutual respect and dignity.

ARTICLE 1 RECOGNITION

Section 1.1

The Commonwealth recognizes the Union as the exclusive collective bargaining representative of employees of the Commonwealth in job titles in Unit 6, as certified by the Labor Relations Commission in its Certification of Representation dated December 7, 1984 (Case No. SCR-2177) with subsequent amendments.

In order to establish and maintain clear and concise employee/labor relations policy, the parties agree that the Human Resources Division, on behalf of the Secretary for Administration and Finance, is solely responsible for the development and implementation of all employee relations policies. Only the Human Resources Division has the authority to make commitments or agreements with respect to wages, hours, standards of productivity, performance and any other terms and conditions of employment, with NAGE as the exclusive union representative for Bargaining Unit 6.

Section 1.2

A. As used in this contract the term "employee" or "employees" shall include:

full-time and regular part-time persons employed by the Commonwealth in job titles in the bargaining unit included in Section 1 above, and seasonal employees whose employment is for a period of ninety (90) consecutive days or more.

B. Exclusion:

1. all managerial and confidential employees;
2. all employees employed in short term jobs established by special federal or state programs such as summer jobs for underprivileged youths; and
3. all intermittent employees (except as defined by HRD Regulations); and
4. all "03" or "07" consultants in accordance with past practice and the understanding of the parties.

C. A full-time employee is defined as an employee who normally works a full workweek and whose employment is expected to continue for twelve (12) months or more, or an employee who normally works a full workweek and has been employed for twelve (12) consecutive months or more.

A regular part-time employee is defined as an employee who is expected to work fifty percent (50%) or more of the hours in a workweek of a regular full-time employee in the same title.

An intermittent employee is defined as an employee who is neither a full-time nor a regular part-time employee and whose position has been designated as an intermittent position by his/her Appointing Authority.

ARTICLE 2 MANAGERIAL RIGHTS/PRODUCTIVITY

Section 2.1

Except as otherwise limited by an express provision of this Agreement, the Employer shall have the right to exercise complete control and discretion over its organization and technology including but not limited to the determination of the standards of services to be provided and standards of productivity and performance of its employees; establish and/or revise personnel evaluation programs; the determination of the methods, means and personnel by which its operations are to be conducted; the determination of the content of job classifications; the appointment, promotion, assignment, direction and transfer of personnel; the suspension, demotion, discharge or any other appropriate action against its employees; the relief from duty of its employees because of lack of work or for other legitimate reasons; the establishment of reasonable work rules; and the taking of all necessary actions to carry out its mission in emergencies.

Section 2.2

Delivery of services to the public in the most efficient, effective, and productive manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a goal of both parties as they perform their respective roles and meet their responsibilities.

Section 2.3

It is acknowledged that during the negotiations, which resulted in this Agreement, the Union had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining. Therefore, for the life of this Agreement, this Agreement shall constitute the total agreement between the parties, and the Union agrees that the Employer shall not be obligated to any additional collective bargaining.

Section 2.4

Any prior agreement covering employees in this bargaining unit shall be terminated upon the effective date of this Agreement and shall be superseded by this Agreement.

ARTICLE 2A
RULES AND REGULATIONS

The Rules and Regulations governing Vacation Leave, Sick Leave, Travel, Overtime, Military Leave, Court Leave, Other Leave, Charges and State Personnel, Accident Prevention, as authorized by Section 28 of Chapter 7 of the General Laws (Red Book) and those Rules and Regulations governing Classifications, Salaries, Allocations, Individual Reallocations, Salary Increments as authorized by Section 45(5) and Section 53 of Chapter 30 of the General Laws (Gray Book) shall not apply to employees covered by this Agreement.

Such consent shall be in a form acceptable to the Employer, and shall bear the signature of the employee. An employee may withdraw his/her Union dues check-off authorization by giving at least sixty (60) days notice in writing to his/her department head.

Section 3.3

An employee may consent in writing to the authorization of the deductions of an agency fee from his/her wages and to the designation of the Union as the recipient thereof. Such consent shall be in a form, acceptable to the Employer, and shall bear the signature of the employee. An employee may withdraw his/her agency fee authorization by giving at least sixty (60) days notice in writing to his/her department head.

Section 3.4

The Employer shall deduct dues or an agency fee from the pay of employees who request such deduction in accordance with this Article and transmit such funds in accordance with departmental policy as of July 1, 1976 to the comptroller of the Union together with a list of employees whose dues or agency fees are transmitted provided that the State Treasurer is satisfied by such evidence that he may require that the comptroller of the Union has given to the Union a bond, in a form approved by the Commissioner of the Department of Revenue, for the faithful performance of his/her duties, in a sum and with such surety or securities as are satisfactory to the State Treasurer.

Section 3.5

When a Unit 6 employee is promoted or changes job titles within Unit 6 or is recalled from layoff, or returns from an authorized leave of absence without pay, the employee shall continue with his/her dues deduction and no new dues deduction authorization card will be requested, if at the time of his/her change of status there is in effect a current dues deduction card authorizing dues to be deducted and paid to the Union. Notification of any cancellation of dues deduction will be sent to the Union in accordance with Article 5.7.E. In any event, there shall be no liability on the part of the Employer under this Section.

Section 3.6

The parties agree that it is the sole responsibility of an employee who promotes to a management position title, or out of the bargaining unit, to notify the Department/Agency payroll office to cease any/all union dues deductions.

Section 3.7 Political Education Fund

Deductions for the purposes of a political education fund shall be made in accordance with section 17 J of Chapter 180 of the Massachusetts General Laws.

Any employee who objects to said political education fund fee may terminate his/her deduction by notifying his/her payroll clerk and the Union on a form provided by the Union.

ARTICLE 4 AGENCY FEE

Section 4.1

Each employee who elects not to join or maintain membership in the Union shall be required to pay as a condition of employment, beginning thirty (30) days following the commencement of his/her employment or the date of the signing of this Agreement, whichever is later, a service fee to the Union in any amount that is proportionally commensurate with the cost of collective bargaining and contract administration, but not to exceed the amount of periodic dues paid by employees who are members of the Union.

Any agency service fee shall be calculated in accordance with the provisions of Chapter 150E and regulations adopted thereunder and shall not include costs for the following activities:

Section 4.3

The Union shall reimburse the Employer for any expenses incurred as a result of being ordered to reinstate an employee terminated at the request of the Union for not paying the agency fee. The Union will intervene in and defend any administrative or court litigation concerning the propriety of such termination for failure to pay the agency fee. In such litigation the Employer shall have no obligation to defend the termination.

Section 4.4

Disputes between the parties concerning this Article shall be resolved in accordance with the grievance procedure contained in this Agreement.

In the event such a dispute is submitted to arbitration, the arbitrator shall have no power or authority to order the Employer to pay such service fee on behalf of any employee. If the arbitrator decides that an employee has failed to pay or authorize the payment of the service fee in accordance with this Article, the only remedy shall be the termination of the employment of

such employee if the employee continues to refuse to pay or authorize payment of the required service fee after sufficient time to do so.

Section 4.5

All members of the bargaining unit shall be entitled to representation and to all the rights and benefits provided under this agreement without regard to their membership, non-membership, or agency fee status within the Union or its affiliates.

ARTICLE 5 UNION BUSINESS

Section 5.3 Paid Leaves of Absence For Union Business

Leave of absence without loss of wages, benefits or other privileges may be granted to elected delegates of the Union to attend NAGE conventions and conventions of the State, AFL-CIO and parent organizations. Persons designated as alternate delegates shall not be granted paid leaves of absence to attend such conventions. The Union shall submit any request for paid union business leave for Executive Board Meetings not later than seven (7) calendar days in advance of the meeting date(s) and the Employer will respond not less than two (2) business days preceding the date of the Executive board meeting.

The Employer, upon being provided sufficient advance notice by the Union, shall grant Union Stewards paid release time for the purposes of receiving training. This paid release time for training shall not exceed one (1) day in duration. The Parties further agree that the Union will make this request of the Employer no more than once in any twelve (12) month period. No pyramiding of release time will be permitted.

All leave granted under this section shall require prior approval of the Human Resources Division. Requests for release time for the purpose of attending Union conventions must be made at least seven (7) calendar days in advance of such convention.

Section 5.4 Unpaid Union Leaves of Absence

Such leave of absence shall be for a period of up to one (1) year and may be extended for one (1) or more additional periods of one (1) year or less at the request of the Union. Approved requests will be granted by the Department/Agency head not to exceed one per each 1,000 employees in the bargaining unit provided no adverse effect on the operations of the Department/Agency results.

The Union shall be permitted one-half (1/2) hour per year to address its members regarding various union issues.

Section 5.6 Bulletin Boards

The Union may post notices on bulletin boards or on an adequate part thereof in places and locations where notices usually are posted by the Employer for employees to read. All notices shall be on Union stationery, signed by an official of the Union, and shall only be used to notify employees of matters pertaining to Union affairs. The notices may remain posted for a reasonable period of time. No material shall be posted which is inflammatory, profane or obscene, or defamatory of the Commonwealth or its representatives, or which constitutes election campaign material for or against any person, organization or faction thereof.

Section 5.7 Employer Provision of Information

The Employer shall be required to provide the Union with the following information:

- A. The Union and/or the employee shall furnish to the Department/Agency, a signed copy of the Union dues/agency fees deduction card that contains a waiver authorizing the use of his/her Social Security Number for the purposes of conducting business between the Union and the Commonwealth. The Union and the Commonwealth agree that employee Social Security Numbers will not be released to any third party outside of the business relationship existing between the Union and the Commonwealth, unless directed in writing, by the employee.

NAGE further agrees that should it improperly disclose, release or distribute the social security numbers of employees in bargaining units 1, 3 and 6, it will indemnify the Commonwealth for any and all damages resulting from such improper disclosure by the NAGE.

ARTICLE 6
ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION

Section 6.1

The Employer and the Union agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, national origin, sex, sexual orientation, age, mental or physical handicap, union activity, or veteran status.

Section 6.2

The Union and the Employer agree that when the effects of employment practices, regardless of their intent, discriminate against any group of people on the basis of race, religion, creed, color, age, sex, national origin, or mental or physical handicap, or being a Vietnam Era Veteran, specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure equal opportunity in the areas of hiring, upgrading, demotion or transfer, recruitment, layoff or termination, rate of compensation and in-service or apprenticeship training programs. Therefore the parties acknowledge the need for positive and aggressive affirmative action.

Section 6.3

The Statewide Labor/Management Committee established pursuant to Article 26 shall give priority to the area of affirmative action. The Committee shall review affirmative action programs and shall devote its best efforts to alleviating any obstacles that are found to exist to the implementation of the policy and commitments contained in the Governor's Executive Order No. 116 dated May 1, 1975 or as subsequently amended or in Governor's Executive Order #253 (1988) or as subsequently amended.

Section 6.4

The provisions contained in Article 14 and Article 18 shall not be construed to impede the implementation of affirmative action programs developed by department/agencies in accordance with goals set forth in this Article.

Section 6.5

The Employer and the Union acknowledge that sexual harassment is a form of unlawful sex discrimination, and the parties mutually agree that no employee should be subjected to such harassment. The term sexual harassment as used herein is conduct such as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature which constitutes sexual harassment when:

- A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- B. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- C. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Section 6.6

A grievance alleging a violation of Section 5 of this Article shall be filed initially at Step

II of the grievance procedure. Such action must be brought within twenty-one (21) days from the alleged act or occurrence. However, an employee who has filed a complaint alleging sexual harassment under the Commonwealth's Statewide Sexual Harassment Policy may not file a grievance regarding those same allegations under this Section.

ARTICLE 6A
MUTUAL RESPECT

The Commonwealth and the Union agree that mutual respect between and among managers, employees, co-workers and supervisors is integral to the efficient conduct of the Commonwealth's business. Behaviors that contribute to a hostile, humiliating or intimidating work environment, including abusive language or behavior, are unacceptable and will not be tolerated. Employees who believe they are subject to such behavior should raise their concerns with an appropriate manager or supervisor as soon as possible, but no later than ninety (90) days from the occurrence of the incident(s). In the event the employee(s) concerns are not addressed at the Agency level, whether informally or through the grievance procedure, within a reasonable period of time, the employee or the Union may file a grievance at step III of the grievance procedure as set forth in Article 23. If an employee, or the Union, requests a hearing at step III, such hearing shall be granted. Grievances filed under this section shall not be subject to the arbitration provisions set forth in Article 23. No employee shall be subject to discrimination for filing a complaint, giving a statement, or otherwise participating in the administration of this process.

ARTICLE 7
WORKWEEK AND WORK SCHEDULES

Section 7.1 Scheduled Hours, Workweek, Workday

- A. Except as otherwise specified in this Agreement, the regular hours of work for full-time employees shall be thirty-seven and one-half (37.5) hours per week excluding duty-free meal periods or forty (40) hours per week excluding duty-free meal periods, as has been established for that job title at the particular job location. Any employee whose regular workweek has averaged more than forty (40) hours excluding meal periods in the past shall have a forty (40) hour workweek.
- B. The work schedule, both starting times and quitting times, of employees shall be posted on a bulletin board at each work location or otherwise made available to employees and Union stewards.
- C. When the Employer desires to change the shift or day off of an employee, the Employer shall, whenever practicable, give the affected employee ten (10) days written notice.
- D. To the extent practicable, the normal work week shall consist of five (5) consecutive days, Monday through Friday, with the regular hours of work each day to be consecutive except for duty-free meal periods. Similarly, to the extent practicable, employees in continuous operations shall receive two (2) consecutive days off in each seven (7) day period. This subsection shall not apply to employees in authorized flexible hours programs.

Section 7.2 Overtime

- A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty (40) hours per week.
- B. An employee whose regularly scheduled workweek is less than forty (40) hours shall be compensated at his/her regular rate for authorized overtime work performed up to forty (40) hours per week that is in excess of his/her regular workweek.
- C. Compensatory time off in lieu of pay for overtime shall not be granted to employees except as provided in Section 7.2.G. The Employer shall not, for the purpose of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a workweek in which the employee has previously worked hours beyond his/her normally scheduled workday. This Paragraph shall not apply to employees who, because of the nature of the duties of their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the Employer to participate in an approved voluntary flexible hours program that has been duly authorized by the Appointing Authority and by the Chief Human Resources Officer.
- D. 1. With the exception of paid sick leave, all time for which an employee is on full paid leave status shall be considered time worked for the purpose of calculating overtime compensation.
2. However, an employee who uses sick leave during the same work week in which he/she works mandatory overtime shall have the opportunity to replace up to three (3) shifts per fiscal year of sick leave with his/her available personal leave, vacation leave, accrued compensatory time or holiday compensatory time. Furthermore, up to two (2) days of sick leave may be counted toward such overtime calculation if the employee submits medical evidence pursuant to Article 8, Section 1 of the Agreement.

E. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement.

F. Employees who are engaged in special kinds of activities where scheduling of such work during regularly scheduled hours is not feasible, shall not be paid overtime on a weekly basis but may be given compensatory time off for such overtime work.

G. Notwithstanding the provisions of paragraph C of this Section 7.2, upon the request of an employee, an Appointing Authority shall grant compensatory time in lieu of payment for overtime at a rate of not less than one and a half (1/2) hours for each hour of employment for which overtime compensation would be required under this Article. This shall be designated on the overtime form supplied by the Employer.

Such compensatory time shall not be accumulated in excess of one hundred twenty (120) hours and may be utilized in half (1/2) hour increments.

An Appointing Authority shall permit the use of compensatory time at the employee's request, provided the use of compensatory time does not unduly disrupt the operation of a department or agency. Upon termination an employee shall be paid for all unused compensatory time at the final regular rate of pay.

H. The Employer shall make every effort to send out checks for overtime no later than the second payroll period following the payroll period of the overtime worked.

I. Overtime shall be distributed as equitably and impartially as practicable among persons in each work location who ordinarily perform such related work in the normal course of their workweek. Department heads and union representatives at each location shall work out procedures for implementing this policy of distributing overtime work.

J. The provisions of this Section shall not apply to employees on full travel status.

Section 7.3 Regular Meal Periods

A meal period shall be scheduled as close to the middle of the shift as possible considering the needs of the Department/Agency and the needs of the employee.

Section 7.4 Rest Periods

Employees may be granted a rest period of up to fifteen (15) minutes per work day. However, employees shall continue to enjoy the same rest period benefits, which existed for them as of the effective date of this agreement.

Section 7.5 Call Back Pay

A. An employee who has left his/her work place of employment after having completed work on his/her regular shift, and who is called back to his/her work place prior to the commencement of his/her scheduled shift shall receive a minimum of four (4) hours pay at his/her regular hourly overtime rate. This Section shall not apply to an employee who is called in to start his/her shift early and who continues to work that shift.

B. An employee who is called back to work as outlined above but is not called back to a work place shall receive a minimum of two (2) hours pay at his/her regular overtime rate. This shall include situations where an employee fulfills his/her call back assignment through the use of an electronic communication device such as a telephone or "networked" computer.

Section 7.6 Stand-by Duties

- A. An employee who is required by the department head to be available on a stand by basis to report to duty when necessary shall be reimbursed at a rate not to exceed seventeen dollars and fifty cents (\$17.50) for such stand-by period.
- B. The stand-by period shall be fifteen (15) hours in duration for any night stand-by duty, and shall be nine (9) hours in duration for any day stand-by duty.
- C. Stand-by duty shall mean that a department head has ordered any employee to be immediately available for duty upon receipt of a message to report to work. If any employee assigned to stand-by duty is not available to report to duty when contacted, no stand-by pay shall be paid to the employee for the period.
- D. An employee who is required by the Department head as a condition of employment to be available by electronic pager to report to duty immediately upon being paged shall be reimbursed at a rate not to exceed seventeen dollars and fifty cents (\$17.50) for such stand-by period.

Effective July 9, 2006, in addition to any other compensation to which they may be entitled, a premium of one dollar and twenty-five cents (\$1.25) per hour shall be paid to all Unit 6 employees who are regularly scheduled to work on either a Saturday or a Sunday, provided that no employee shall receive said differential for more than one (1) day worked per weekend.

- B. For the purpose of this Section only, a second shift shall be one that commences at 1:00 p.m. or after and ends not later than 2:00 a.m. and a third shift shall be one that commences at 9:00 p.m. or after and ends not later than 9:00 a.m.
- C. The overtime rate for employees whose regularly scheduled workday is on the second or third shift shall be computed based on the following method: the regular hourly salary rate plus the hourly shift differential times one and one-half equals the overtime rate.
- D. For the purposes of this Section, employees who are regularly scheduled to work second or third shift shall receive the shift differential for all shifts that are on paid leave status, including holidays. Employees otherwise entitled to a weekend differential under this Section shall receive the differential for days they are on paid leave status, including holidays, up to the maximum of one (1) full day per weekend.

**ARTICLE 8
LEAVE**

Section 8.1 Sick Leave

A. A full-time employee shall accumulate sick leave with pay credits at the following rate for each full calendar month of employment:

<u>Scheduled Hours per Week</u>	<u>Sick Leave Accrued</u>
37.5 hours per week	9.375 hours
40.0 hours per week	10.000 hours

An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits. There shall be no limit to the number of unused sick leave credits, which an employee may accumulate.

B. A regular part-time employee shall be granted sick leave credits in the same proportion that his/her part-time service bears to full-time service.

C. Sick leave shall be granted, at the discretion of the Appointing Authority, to an employee only under the following conditions:

1. When an employee cannot perform his/her duties because he/she is incapacitated by personal illness or injury;
2. An employee may use up to a maximum of sixty (60) days per calendar year for the purpose of:
 - a. caring for the spouse, child, foster child, step-child, parent, step-parent, brother, sister, grandparent, grandchild, parent or child of spouse, person for whom the employee is legal guardian, or a relative living in the household who is seriously ill; or
 - b. parental leave due to the birth or adoption of a child, to be concluded within twelve (12) months of the date of the birth or adoption. Eligible employees utilizing sick leave under this Section shall not be required to submit a medical certification, unless the appointing authority has reason to believe that the birth or adoption claim was not genuine. This leave benefit shall be in addition to the ten (10) days of paid leave set forth in Section 8.7.1 below.
3. An employee may use up to a maximum of ten (10) days of accrued sick leave in a calendar year in order to attend to necessary preparations and legal requirements related to the employee's adoption of a child, except that in no event may an employee charge more than a total of sixty (60) days of accrued sick leave in a calendar year for adoption related purposes.
4. When through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others.

5. When appointments with licensed medical or dental professionals cannot reasonably be scheduled outside of normal working hours for purposes of medical treatment or diagnosis of an existing medical or dental condition.
6. When an employee is absent due to the excessive use of alcohol or narcotics, becomes and continues to be an active participant in an approved counseling service program.
7. An employee shall be entitled to use up to ten (10) days of accrued sick leave per calendar year for necessary preparations and/or legal proceedings related to foster care of DSS children, such as foster care reviews, court hearings and MAPS training for pre-adoptive parents. HRD may approve a waiver of the ten (10) day limit if needed for difficult placements. In addition, an employee may use the one day per month of paid leave available to employees for volunteer work under the Commonwealth's School Volunteer or Mentoring programs for the above cited foster care activities.

D. A full-time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay for a total of more than one (1) day.

E. Upon return to work following a sick leave in excess of five (5) consecutive work days, or when the appointing authority has reason to suspect that an employee is unfit for duty, an employee may be required to undergo a medical examination by an Employer appointed physician to determine his/her fitness for work. If the examination by the Physician reveals that the employee is fit for duty, the employee will immediately return to duty without loss of wages or leave. If the examination by the Physician reveals that the employee is unfit for duty, the employee's own leave time will run from the time the employee left the work location. The employee, if found unfit for duty and if he/she desires, may then receive an examination by a physician of his/her own choice. The employer will bear the costs of the employee's initial examinations under this paragraph E.

F. Sick leave must be charged against unused sick leave credits in units of one-half hour or full hours, but in no event may the sick leave credits used be less than the actual time off.

G. An employee having no sick leave credits, who is absent due to illness may, at the employee's discretion, be placed on available vacation leave under Article 9. Additionally, the Appointing Authority may grant such employee a leave of absence without pay or an extension of a leave of absence without pay only upon the written request of the employee.

Such written request shall include a detailed statement of the reason for the requested leave and shall be accompanied by substantiating proof of such an illness. No leave of absence granted pursuant to this paragraph shall be for a period longer than three (3) months.

H. An employee who is reinstated or reemployed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or reemployed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the Chief Human Resources Officer, where such absence was caused by:

1. Illness of said employee;
2. Dismissal through no fault or delinquency attributable solely to said employee; or
3. Injury while in the employment of the Commonwealth in the line of duty, and for which said employee would be entitled to receive Workers' Compensation benefits.

I. A regular part-time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one day of service of a full-time employee.

J. Employees requesting sick leave under this Article must notify the designated representative of the Appointing Authority at least one (1) hour before the start of his/her work shift on each day of absence. In single-shift agencies, employees requesting sick leave under this Article must notify the designated representative not later than fifteen (15) minutes after the start of the work day on each day of absence. Repeated violations of these notification procedures may result in the denial of sick leave. Such notice must include the general nature of the disability and the estimated period of time for which the employee will be absent. Where circumstances warrant, the Appointing Authority or designee shall reasonably excuse the employee from such daily notification.

K. 1. Where the Appointing Authority has reason to believe that sick leave is being abused, the Appointing Authority may require satisfactory medical evidence from the employee (see Appendices D-1 and D-2). This request shall be reduced to writing and shall cite specific reasons for the request. When medical evidence is requested, such request shall be made as promptly as possible. To the extent practicable, the employee shall receive prior notice that the Appointing Authority believes he/she is abusing sick leave and that he/she may be required to produce medical evidence for future use of sick leave.

2. Satisfactory medical evidence (see Appendices D-1 and D-2) shall consist of a signed statement by a licensed Physician, Physician's Assistant, Nurse Practitioner, Chiropractor or Dentist that he/she has personally examined the employee and shall contain the nature of the illness or injury, unless identified as being of a confidential nature; a statement that the employee was unable to perform his or her duties due to the specific illness or injury on the days in question; and the prognosis for employee's return to work. In cases where the employee is absent due to a family or household illness or injury, as defined in Section 1.C.2 of this Article, satisfactory medical evidence shall consist of a signed statement by medical personnel mentioned above indicating that the person in question has been determined to be seriously ill and needing care on the days in question.

A medical statement provided pursuant to this Article shall be on the letterhead of the attending physician or medical provider as mentioned above, and shall list an address and telephone number. Failure to produce such evidence within seven (7) days of its request may result, at the discretion of the Appointing Authority, in denial of sick leave for the period of absence.

3. Any inappropriate use of sick leave shall be recorded as unauthorized leave

without pay and (may) result in discipline.

L. In extraordinary circumstances, where the Appointing Authority, or the designated person in charge if the Appointing Authority is unavailable, has sufficient reason to believe that an employee has a mental or physical incapacity rendering him/her unfit to perform his/her job or which jeopardizes workplace safety or stability, the Appointing Authority or the designated person in charge may authorize the removal of such employee from the workplace. It is understood that the employee might not recognize or acknowledge such unfitness. Notification shall be made to the NAGE Attorney-of-the-Day as soon as possible, by the Appointing Authority or his/her designee when an employee is removed from the workplace in accordance with this paragraph.

The employee shall be required to undergo a medical examination to determine his/her fitness for work. The employee, if he/she so desires, may be represented by a physician of his or her own choice, in which case such verification and cost shall be the responsibility of the employee. However, the Appointing Authority shall reserve the right to obtain a second opinion from a Commonwealth designated physician to determine fitness for work. Such cost shall be borne by the Appointing Authority.

M. No employee shall be entitled to a leave under the provisions of this Article in excess of the accumulated sick leave credits due such employee.

N. Employees whose service with the Commonwealth is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave at the time of their retirement. Upon the death of an employee who dies while in the employ of the Commonwealth, twenty percent (20%) of the value of the unused sick leave which the employee had personally earned and accrued as of the time of death shall be paid in the following order of precedence, as authorized by the Chief Human Resources Officer upon request of the Appointing Authority of the deceased employee:

- First: to the surviving beneficiary or beneficiaries, if any, lawfully designated by the employee under the state employees' retirement system; and
- Second: if there be no such designated beneficiary, to the estate of the deceased. It is understood that any such payment will not change the employee's pension benefit.

O. Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.

P. An employee who while in the performance of his/her duty receives bodily injuries resulting from acts of violence of patients or prisoners in his/her custody, and who as a result of such injury would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days duration.

Section 8.2 Paid Personal Leave

A. On each January 1, full-time employees on the payroll as of that date will be credited annually with paid personal leave credits at the following rate:

<u>Scheduled Hours per Week</u>	<u>Personal Leave Credits</u>
37.5 hours per week	22.500 hours
40.0 hours per week	24.000 hours

Such personal leave may be taken during the following twelve (12) months at a time or times requested by the employee and approved by his/her Appointing Authority. Full-time employees hired or promoted into the bargaining unit after January 1 of each year will be credited with personal leave days in accordance with the following schedule:

<u>Date of Hire or Promotion</u>	<u>Scheduled Hours per Week</u>	<u>Personal Leave Credited</u>

	40.0	8.000 hours
October 1 - December 31	37.5	0 hours
	40.0	0 hours

Except as provided for herein, any personal leave not taken by any December 31 will be forfeited by the employee. Personal leave days for regular part-time employees will be granted on a pro-rata basis. Employees' personal leave balances shall be charged for time used on an hour-for-hour basis, e.g. one hour charged for one hour used and may be used in conjunction with vacation leave. Charges to personal leave may be allowed in units of not less than one-half hour. An employee who cannot utilize his/her personal leave in the months of November and December, due to the operational needs of the Department/Agency shall be permitted to carry-over one day of personal leave credit not utilized, to the next calendar year.

B. Nothing in this Section shall be construed as giving more than three (3) days personal leave in a given year.

Section 8.3 Bereavement Leave

A. Upon evidence satisfactory to the Appointing Authority of the death of a spouse or child, an employee shall be entitled to a maximum of seven (7) days of leave without loss of pay to be used at the option of the employee within thirty (30) calendar days from the date of said death.

B. Upon evidence satisfactory to the Appointing Authority of the death of a foster child, step child, parent, step parent, brother, sister, grandparent, grandchild, person for whom the employee is legal guardian, parent or child of spouse or person living in household, an employee shall be entitled to a maximum of four (4) days of leave without loss of pay to be used at the option of the employee within thirty (30) calendar days from the date of said death.

C. Upon evidence satisfactory to the Appointing Authority, an employee shall be granted one (1) day of leave without loss of pay to attend the funeral of the brother, sister, grandparent or grandchild of the employee's spouse.

Section 8.4 Voting Leave

An employee whose hours of work preclude him/her from voting in a town, city, state, or national election shall upon application be granted a voting leave with pay, not to exceed two (2) hours, for the sole purpose of voting in the election.

Section 8.5 Civic Duty Leave

A. Employees summoned for jury duty will be granted a leave of absence with pay for time lost from their regular work schedule while on said jury duty upon presentation of the appropriate summons to the department head by the employee.

B. An employee who receives jury fees for jury service upon presentation of the appropriate court certificate of service, shall either:

1. Retain such jury fees in lieu of pay for the period of jury service if the jury fees exceed his/her regular rate of compensation for the period involved; or
2. Remit to the Appointing Authority the jury fees if less than his/her regular rate of compensation for the period involved.

C. Jury fees for the purpose of this Article shall be the per diem rate paid for jury duty by the court not including the expenses reimbursed for travel, meals, rooms or incidentals.

D. An employee summoned as a witness in court on behalf of the Commonwealth or any town, city or county of the Commonwealth or on behalf of the Federal Government shall be granted court leave with pay upon filing of the appropriate notice of service with his/her department head except that this Section shall not apply to an employee who is also in the employ of any town, city or county of the Commonwealth or in the employ of the Federal Government or any private employer and who is summoned on a matter arising from that employment.

E. All fees for court service except jury fees paid for service rendered during office hours must be paid to the Commonwealth. Any fees paid to an employee for court service performed during a vacation period may be retained by the employee. The employee shall retain expenses for travel, meals, rooms, etc.

F. An employee on court leave who has been excused by the proper court authority shall report to his/her official duty station if such interruption in court service will permit four or more consecutive hours of employment. Court leave shall not affect any employment rights of the individual.

G. No court leave shall be granted when the employee is the defendant or is engaged in personal litigation.

Section 8.6 Military Leave

A. An employee shall be entitled during the time of his/her service in the armed forces of the Commonwealth, under Sections 38, 40, 41, 42, or 60 of Chapter 33 of the General Laws, to receive pay therefor, without loss of his/her ordinary remuneration as an employee.

B. An employee shall be entitled, during his/her annual tour of duty of not exceeding seventeen (17) days as a member of a reserve component of the armed forces of the United States, to receive pay therefor, without loss of his/her ordinary remuneration as an employee under Section 59 of Chapter 33 of the General Laws as amended.

C. An employee who is a member of a reserve component of the armed forces of the United States and who is called for duty other than the annual tour of duty of not exceeding seventeen (17) days shall be subject to the provisions of Chapter 708 of the Acts of 1941 as amended, or of Chapter 805 of the Acts of 1950 as amended, or Chapter 671 of the Acts of 1966, and amendments thereto.

D. In accordance with Chapter 708 of the Acts of 1941, as amended, an employee who, on or after January 1, 1940, shall have tendered his/her resignation or otherwise terminated his/her service for the purpose of serving in the military or naval forces of the United States who does serve or was or shall be rejected for such service shall, except as otherwise provided by Chapter 708 of the Acts of 1941, as amended, be deemed to be or to have been on military leave, and no such person shall be deemed to have resigned from the service of the Commonwealth or to have terminated such service until the expiration of two (2) years from the termination of said military or naval service by him/her.

Section 8.7.1 Family Leave

During family leave taken in conjunction with the birth, adoption or placement of a child, an employee shall receive his/her salary for ten (10) days of said leave, at a time requested by the employee. The ten (10) days of paid family leave granted under this Section may be used on an intermittent basis over the twelve (12) months following the birth of adoption, except that this leave may not be charged in increments of less than one (1) day. In addition, if the employee has accrued sick leave, vacation leave or personal leave credits available, the employee may use such credits for which he/she may otherwise be eligible under the sick leave, personal leave, or vacation leave provisions of this Agreement.

Section 8.7.2 Family and Medical Leave

A. Family Leave

1. An Appointing Authority shall grant to a full time or part time employee who has completed his/her probationary period, or if there is no such probationary period, has been employed for at least three consecutive months, an unpaid leave of absence for up to twenty-six (26) weeks in conjunction with the birth, adoption or placement of a child as long as the leave concludes within twelve (12) months following the birth or placement.
2. At least thirty (30) days in advance, the employee shall submit to the Appointing Authority a written notice of his/her intent to take such leave and the dates and expected duration of such leave. If thirty (30) days notice is not possible, the employee shall give notice as soon as practicable. The employee shall provide upon request by the Appointing Authority proof of the birth or placement or adoption of a child.
3. If an employee has accrued sick leave, personal leave, compensatory leave, or vacation credits at the commencement of his/her family leave, the employee may use such leave credits for which s/he may be eligible under the sick leave, personal leave or vacation provisions of this Agreement. The Appointing Authority may, in his/her discretion, assign an employee to temporarily backfill

for an employee who is on family leave. Such assignment may not be subject to the grievance procedure.

4. At the expiration of the family leave, the employee shall be returned to the same or equivalent position with the same status, pay and length of service credit as of the date of his/her leave. If during the period of the leave, employees in an equivalent position have been laid off through no fault of their own, the employee will be extended the same rights or benefits, if any, extended to employees of equal length of service in the equivalent position in the department.
5. Employees taking an unpaid leave of absence under this provision will accrue sick and vacation leave benefits only for the first eight (8) weeks of such unpaid leave. Notwithstanding any other provision of the Agreement to the contrary, the family leave granted under this Article shall not affect the employee's right to receive any contractual benefits for which s/he was eligible at the time of his/her leave.
6. During the time an employee is on family leave, the employee shall be entitled to group health insurance coverage benefits on the same terms and conditions in effect at the time the leave began, provided the employee continues to pay the required employee share of premium while on leave. If the employee fails to return from leave, the Commonwealth may recover, as provided under FMLA, the cost it incurred in maintaining insurance coverage under its group health plan for the duration of the employee's leave.

B. Medical Leave

1. An Appointing Authority shall grant to any employee who has completed his/her probationary period or, if there is no probationary period, who has been employed at least three (3) consecutive months, an unpaid leave of absence for up to twenty-six (26) weeks to care for a spouse, child or parent who has a serious health condition or for a serious health condition which prevents the employee from being able to perform the functions of his/her position.
2. Upon the submission of satisfactory medical evidence that demonstrates an existing catastrophic illness, the Appointing Authority shall grant the employee on a one-time basis, up to an additional twenty-six (26) weeks of non-intermittent FMLA leave.
3. At least thirty (30) days in advance, the employee shall submit a written notice of his/her intent to take such leave and the dates and expected duration of such leave. If thirty (30) days notice is not possible, the employee shall give notice as soon as practicable. The employee shall provide, upon request by the Appointing Authority, satisfactory medical evidence. Satisfactory medical evidence is defined under Section 1.K.2 of this Article. If the Appointing Authority has reason to doubt the validity of the medical evidence, it may obtain a second opinion at its own expense.

In the event there is a conflict between the second opinion and the original medical opinion, the Appointing Authority and the employee may resolve the conflict by obtaining the opinion of a third medical provider, who is approved jointly by the Appointing Authority and the employee, at the Appointing Authority's expense.

4. Intermittent leave usage and modified work schedules may be granted where a spouse, child or parent has a serious medical condition and is dependent upon the employee for care. Where intermittent or a modified work schedule is medically necessary, the employee and Appointing Authority shall attempt to work out a schedule which meets the employee's needs without unduly disrupting the operations of the workplace.
5. If the employee has accrued sick leave, personal leave, compensatory leave, or vacation leave credits at the commencement of his/her medical leave, that employee may use such leave credits for which s/he may be eligible under the sick leave, personal leave or vacation leave provisions of this Agreement.
6. At the expiration of the medical leave, the employee shall be returned to the same or equivalent position with the same status, pay and length of service credit as of the date of his/her leave. If during the period of the leave, employees in an equivalent position have been laid off through no fault of their own, the Employer will extend the same rights or benefits, if any, extended to employees of equal length of service in the equivalent position in the department.
7. Between periods of unpaid medical leave, where an employee returns to the payroll for a period of less than two (2) weeks, when a holiday falls during that time, no holiday pay or compensatory time shall be granted for such holiday.
8. During the time an employee is on medical leave, the employee shall be entitled to group health insurance coverage benefits on the same terms and conditions in effect at the time the leave began, provided the employee continues to pay the required employee share of premium while on leave. If the employee fails to return from leave, the Commonwealth may recover the cost it incurred in maintaining insurance coverage under its group health plan for the duration of the employee's leave, in compliance with the requirements set forth under the FMLA and regulations thereunder.

Section 8.8 Non-FMLA Family Leave

A. Upon written application to the Appointing Authority, including a statement of any reasons, any employee who has completed his/her probationary period, or if there is no probationary period who has been employed at least three (3) consecutive months who has given at least two (2) weeks prior notice of his/her anticipated date of departure and who has given notice of his/her intention to return, may be granted non-FMLA family leave for a period not exceeding ten (10) weeks. Such leave shall be without pay or benefits for such period. The Appointing Authority may, in his/her discretion, assign an employee to back fill for an employee who is on non-FMLA family leave. Such assignment may not be subject to the grievance procedure.

The purpose for which an employee may submit his/her application for such unpaid leave shall be limited to the need to care for, or to make arrangements for care of grandparent, grandchild, sister or brother living in the same household, or child - whether or not the child (or children) is the natural, adoptive, foster, stepchild or child under legal guardianship of the employee.

B. Ten (10) days of non-FMLA family leave may be taken in not less than one (1) day increments. However, such leave requires the prior approval of the Appointing Authority or his/her designee.

C. If an employee has accrued sick leave, personal leave, compensatory leave, or vacation leave credits at the commencement of his/her non-FMLA family leave that employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave, or vacation leave provisions of this Agreement.

D. Between periods of non-FMLA family leave, where an employee returns to the payroll for a period of less than two (2) weeks, when a holiday falls during that time, no holiday pay or compensatory time shall be granted for such holiday.

Section 8.9

For the purposes of ARTICLE 8-LEAVE, ARTICLE 9-VACATIONS, and ARTICLE 10-HOLIDAYS, the term "day" with respect to employees who work an irregular workday or whose regular workday is longer than the normal seven and one-half (7.5) or eight (8.0) hour workday shall mean seven and one-half (7.5) or eight (8.0) hours, whichever is appropriate, and for the purpose of ARTICLE 9-VACATIONS, the term "week" with respect to such employees shall mean thirty-seven and one-half (37.5) or forty (40) hours, whichever is appropriate.

Section 8.10 Educational Leave

Employees may be granted a paid leave of absence in accordance with the policies of the Employer for educational purposes to attend conferences, seminars, briefing sessions or other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability. The employee shall not suffer any loss of seniority or benefits as a result of such leave.

Section 8.11 Authorized Leave of Absence Without Pay

The Department/Agency head, or his designee, may grant an employee a leave of absence or an extension of a leave of absence upon written request filed by the employee. The written request shall include a detailed statement of the reason for the requested leave and if the absence is caused by illness, shall be accompanied by substantiating proof of such illness. A copy of the approved written request shall be placed into the employee's personnel file.

No leave of absence for a period longer than three (3) months, except one granted because of illness as evidenced by the certificate of a physician and approved by the appointing authority, shall be granted pursuant to this section without the prior approval of the Appointing Authority.

If an employee shall fail to return to his/her position upon completion of the period for which a leave of absence has been granted, the appointing authority shall, within fourteen (14) days after the completion of such period, give notice that his/her employment is considered to be terminated.

Section 8.12

A. Pursuant to the Family and Medical Leave Act, 29 U.S.C. 2611 *et seq.*, and accompanying regulations, 29 C.F.R. Part 825, the employer may request medical certification after the leave commences if the employer later has reason to question the appropriateness of the leave or its duration. Said certification shall be in accordance with Section 1.K.2 of this Article.

Section 8.13 Domestic Violence

An employee may use up to a maximum of fifteen (15) paid days per calendar year for the purpose of arranging for the care of him/herself, his/her spouse or his/her child(ren) or for attending to necessary legal proceedings or activities in instances where the employee, his/her spouse or his/her child(ren) is a victim of domestic abuse and where the employee is not the perpetrator. Said fifteen (15) paid days are in addition to any other paid leave, which the employee may accrue under the provisions of this Agreement.

If the employee has accrued sick leave, personal leave, compensatory leave or vacation leave credits at the completion of his/her domestic violence leave, that employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave or vacation leave provisions of this Agreement.

**ARTICLE 9
VACATIONS**

Section 9.1

The vacation year shall be the period from January 1st to December 31st, inclusive.

Section 9.2

A. Vacation leave with pay shall be credited to full-time employees employed by the Commonwealth on the last day of each full month worked based on work performed during that month as follows:

<u>Length of Continuous Full Time Creditable Service</u>	<u>Scheduled Hours Per Week</u>	<u>Vacation Credit Accrued</u>
Less than 4.5 years	37.5	6.250 hours
	40.0	6.667 hours
4.5 years but less than 9.5 years	37.5	9.375 hours
	40.0	10.000 hours
9.5 years but less than 19.5 years	37.5	12.500 hours
	40.0	13.333 hours
19.5 years or more	37.5	15.625 hours
	40.0	16.667 hours

B. For determining vacation status under this Article, "creditable service" only shall be used.

All service beginning on the first working day in the state agency where rendered, and all service thereafter becomes "creditable service" provided there has not been any break of three years or more in such service as referred to in Section 12 of this Article.

Section 9.3

A full-time employee on leave without pay and/or absent without pay for twenty (20) or more cumulative days in any vacation year shall have his/her vacation leave earned that year reduced by the percent determined by dividing the days without pay by the scheduled work days in the vacation year.

In addition, any such leave or absence without pay for twenty (20) or more cumulative days in any vacation year shall result in the permanent loss of one year of continuous service for the purpose of vacation credit, unless such leave or absence is attributable to one of the following reasons:

- serious illness requiring hospitalization for all or a portion of the period of absence
- industrial accident
- maternity/adoptive leave
- FMLA/Non-FMLA
- military leave
- educational leave
- civic duty leave,

in which case "continuous service" for purposes of vacation credit shall not be affected.

Section 9.4

Vacation leave earned during any vacation year in which an employee achieves the next higher vacation accrual status shall be credited at the rate at which the employee began the current vacation year. Adjustments necessary to reflect the higher vacation accrual status shall be credited on the last day of the vacation year.

Section 9.5

A regular part-time employee shall be granted vacation leave in the same proportion that his/her part-time service bears to full-time service.

Section 9.6

A regular part-time employee who is absent without pay and/or on leave without pay for that number of hours that his/her service bears to twenty (20) days of service of a full-time employee shall have his/her vacation leave earned that year reduced by the percent determined by dividing the hours without pay by the total number of scheduled hours of work in his/her vacation year. In addition, any such leave or absence without pay for twenty or more cumulative days in any vacation year shall result in the permanent loss of one year of continuous service for the purpose of vacation credit unless such leave or absence is attributable to one of the following reasons:

- Serious illness requiring hospitalization for all or a portion of the period of absence
- industrial accident
- maternity/adoptive leave
- FMLA/Non-FMLA
- military leave
- educational leave
- civic duty leave,

in which case "continuous service" for purpose of vacation credit shall not be affected.

Section 9.7

An employee who is reinstated or re-employed after less than three (3) years shall have his/her prior service included in determining his/her continuous service for vacation purposes.

Section 9.8

The Appointing Authority shall grant vacation leave in the vacation year in which it becomes available, unless in his/her opinion it is impossible or impracticable to do so because of work schedules or emergencies. In cases where the vacation requests by employees in the same title conflict, preference, subject to the operational needs of the Department/Agency, shall be given to employees on the basis of years of employment with the Commonwealth.

Unused vacation leave earned during the previous two (2) vacation years can be carried over on January 1 for use during the following vacation year. Annual earned vacation leave credit not used by December 31 of the second year it was earned will be forfeited.

The department head is charged with the responsibility of seeing that vacation is taken in order that the employee does not lose vacation credits. Each employee shall receive annually, on or before October 1, as of September 1, a preliminary statement of the available vacation credits from the local office. A central office statement shall be forthcoming to each work location by October 31 for dissemination to each employee.

The parties recognize the need to ensure the granting of personal leave, vacation, holiday and compensatory time when it is requested and as it becomes available. Towards this end the department heads and union representatives at each work location shall work out procedures for implementing this policy of granting time off.

Section 9.9

Absences on account of sickness in excess of the authorized sick leave provided in the Agreement (or for personal reasons not provided for under said sick leave provisions), may be charged to vacation leave upon request of the employee and subsequent approval by the Appointing Authority.

Section 9.10

Employee's vacation leave balances shall be charged on an hour-for-hour basis; e.g., one hour charged for one hour used. Charges to vacation leave may be allowed in units of not less than one-half hour.

Section 9.11

In the event a position is not available under the jurisdiction of the Appointing Authority said employee shall be covered by the layoff and recall Articles of the Agreement.

H. All promotions made pursuant to this Article shall be temporary or provisional appointments at least until the completion of the probationary period. All vacancies resulting from an employee's promotion pursuant to this Article shall be filled temporarily or provisionally at least until the promoted employee has completed his/her probationary period.

Section 15.2

In the event that the NAGE desires to discuss the purchase of services which are the type currently being provided by employees within a department/agency covered by this agreement, the National President of the NAGE shall request in writing a meeting of the Special Labor Management Committee established in Section 1.

The Committee shall examine both the cost effectiveness of such contracts and their impact on the career development of NAGE members. In the event that the parties fail to reach an agreement in the Committee, the parties agree to submit the matter to an expedited fact-finding process.

Section 15.3

When a Department/Agency contracts out work which will result in the layoff of an employee who performs the function that is contracted out, the Union shall be notified and the Employer and the Union shall discuss the availability of similar positions within the Department/Agency for which the laid-off employee is determined to be qualified and the availability of any training programs which may be applicable to the employee. In reviewing these placement possibilities, every effort will be made to seek matches of worker skills and qualifications with available, comparable positions.

Section 15.4

In the case of 03 contracts with individuals, the Committee shall review them to determine whether the work to be performed is long term in nature, and whether it should more appropriately be performed by regular employees provided nothing in this Article shall limit the authority of the Secretary of A & F to promulgate rules and regulations covering contracting out of services pursuant to Chapter 29, Section 29A.

Section 17.4 Class Reallocations

Class reallocations may be requested by the Union and whenever they believe a reallocation is justified by the existence of an inequitable relationship between the positions covered by the reallocation request and other positions covered by this agreement. If the Employer agrees that such an inequity exists, the Employer and the Union agree to jointly petition the General Court to provide the necessary funding for such class reallocation. If, however, the parties are unable to reach agreement the matter shall not be subject to the grievance procedure.

Section 17.5

The Employer and the Union agree that the procedure provided in Section 17.4 shall be the sole procedure for class reallocations for all classes covered by this Agreement. No other class reallocations shall be granted under any other provisions of this Agreement.

ARTICLE 17A TECHNOLOGICAL CHANGE

Section 17A.1 Introduction

A. The Commonwealth and the Union recognize that automation and technological change are fast becoming an integral part of work in many of the departments/agencies in the state. Both parties are aware of the enormous impact these changes will have and are having on employees and the way in which they perform work. The Employer and the Union are committed to making this transition to automation in as responsive a way as possible to both the human issues and the provision of services to the public.

The Commonwealth and the Union are committed to the concepts that technology was not intended to replace state employees: that the transition be orderly and comfortable to agencies and employees; that the Union provide input in developing implementation, health and safety guidelines; and that adequate and appropriate training be available to employees to provide for job protection and advancement or retraining.

B. The Employer will notify the Union at least ten (10) working days in advance of any proposed technological change, including the introduction of VDT's in the work place.

C. The Commonwealth and the Union further recognize that automation and technological change are integral components of the way all departments and agencies better meet the challenges of effectuating business practices which ensure that they more effectively and efficiently attain their missions.

The Commonwealth and the Union recognize that the Commonwealth's Human Resources/Compensation Management System (HR/CMS) is the most comprehensive review of business processes regarding payroll, personnel and other processes ever undertaken by the Commonwealth, replacing such current systems such as PMIS and CAPS.

Therefore, the Commonwealth and the Union agree that HR/CMS shall become the cornerstone of the Commonwealth's payroll and personnel system.

To ensure that any of the changes required by HR/CMS are introduced and implemented in the most effective manner, the Union agrees to support the Commonwealth's implementation and accepts such changes to business practices, procedures and functions as are necessary to achieve such implementation (e.g. the change from a weekly to bi-weekly payroll system). The Commonwealth and the Union will establish a Special Labor-Management Committee made up of an equal number of Union representatives and Management representatives. This committee shall be the sole forum for the parties to discuss any issues of impact to the bargaining unit arising from the implementation of HR/CMS.

Section 17A.2 Joint Committee on Technological Change and Automation

To ensure that the introduction and implementation of technological changes in the workplace occur in the most effective manner, a Joint Committee with equal representation from HRD and the Union be established. The purpose of the Joint Committee will include:

1. To review the impact of technological changes as soon as possible after the development of the implementation plan,
2. To meet and discuss the impact of the implementation plan on such issues as

wage and classification changes; career ladder realignment; methods of introduction of new equipment and operating procedures; ergonomic specification; health and safety issues; training and job redesign.

3. To develop and recommend specific training programs and/or procedures regarding use and operation of computer equipment.
4. To review specific problems as they arise.

Section 17A.3 Ergonomic Guidelines

A. The State guidelines on visual display terminals, CRT's and printers, originally issued in 1984 and periodically amended, shall be used as a reference for this Agreement, to be applied where practicable.

B. The Union will be notified in advance of any proposed changes in these guidelines.

Grievances alleging a violation of this section may be grieved through step III of the grievance procedures of Article 23, Section 2.

Section 17A.4 Classification

The parties agree that where jobs are significantly impacted by the introduction of technology/automation, these jobs will be subject to the appropriate review through the class reallocation appeals process designated in Article 17.4 of this Agreement. Where possible, new job classifications will be included in the bargaining unit.

Section 17A.5 Health and Safety

A subcommittee of the Joint Committee will be established to review and discuss health and safety guidelines.

A. Pregnant employees who work on VDT systems may request temporary reassignment within their job description or a comparable position, and be reassigned within two (2) weeks of notification, for the duration of the pregnancy. Such work assignment shall be determined by the Appointing Authority or his/her designee. This request must be made in writing to the Appointing Authority with verification from the employee's physician. While in such alternative assignments, the employee shall be paid at her regular rate of pay.

B. VDT operators shall not be required to perform continuous duties at the work screen for periods in excess of two (2) hours at a time. For each consecutive two (2) hour period worked at his/her station, the employee shall be entitled to be away from the screen for a continuous period of fifteen (15) minutes. Such period may consist of an alternative job assignment or any break or lunch period otherwise authorized by this Agreement.

C. Agencies will provide safety training on all equipment for all operators. Wherever, possible, VDT's will be fitted with proper equipment to prevent possible radiation hazards.

D. Agencies will make every effort to ensure safe equipment through regular monitoring and maintenance of equipment and will provide necessary materials for routine maintenance by operators.

Section 17A.6 Training

The Commonwealth and the Union recognize that the introduction of technological changes will require the need for employees to develop many different or new skills. To ensure that employees are adequately prepared to retain their current positions or to move into newly automated positions, the state is committed to providing training programs in the use of computer equipment as well as generic training for specific programs.

Section 17A.7 Technology Resources

The parties specifically agree that all hardware, software, databases, communication networks, peripherals, and all other electronic technology, whether networked or free-standing, is the property of the Commonwealth and is expected to be used only as it has in the past for official Commonwealth business. Use by employees of the Commonwealth's technological resources constitutes express consent for the Commonwealth and its Departments/Agencies to monitor and/or inspect any data, any electronic mail messages, and any web sites that they may access. The Commonwealth retains, and through its Departments/Agencies, may exercise the right to inspect any user's computer, any data contained in it, and any data sent or received by that computer.

Notwithstanding the above, under no circumstances will the following be considered valid business uses of the Commonwealth's technology:

- In furtherance of any illegal act, including violation of any criminal or civil laws or regulations, whether state or federal;
- For any political purpose;
- For any commercial purpose;
- To send threatening or harassing messages, whether sexual or otherwise;
- To access or share sexually explicit, obscene, or otherwise inappropriate materials;
- To infringe any intellectual property rights;
- To gain, or attempt to gain unauthorized access to any computer or network;
- For any use that causes interference with or disruption of network users and resources, including propagation of computer viruses or other harmful programs;
- To intercept communications intended for other persons;
- To distribute chain letters; or
- To access online gambling sites.

The parties agree that the foregoing list and policy is not all-inclusive and will meet as needed to make appropriate modifications thereto.

The Department/Agency will disseminate this Section to its employees on an annual basis as part of the employee's performance evaluation and afford said employees the opportunity to request clarification should it be necessary. The employee shall then sign an acknowledgment that he/she has received, read and understands this Section within ten (10) working days of receipt.

ARTICLE 18

LAYOFF - RECALL PROCEDURE

Section 18.1 Applicability

The provisions of this Article shall apply only to non-civil service employees and shall not apply to the separation from a position by reason of the certification of a civil service list by the Chief Human Resources Officer, provided, however, that the employee displaced by the use of the civil service list shall be the least senior person in the title in the work unit to which the civil service appointment or promotion is being made; and further provided that the person displaced shall have bumping rights if any as set forth in this Article.

Section 18.2 Definitions

As used in this Article seniority shall mean service rendered in the Department/Agency.

Section 18.3 Layoff/Notice to Union/Notice to Employee

In the event that Management becomes aware of an impending reduction in workforce it will make every effort to notify the Union at least ten (10) calendar days prior to the layoff. Management will notify the affected employees in writing not less than five (5) working days in advance of the layoff date. Whenever practicable, affected employees will have four (4) working days to exercise their bumping rights.

Section 18.4 Displacement-Bumping Procedure

A. In the event there is a reduction in work force within a department/agency which will result in bumping and layoff, the Human Resources Division will encourage the department/agency to develop a Voluntary Layoff Incentive program for affected employees.

B. An employee whose position is being eliminated shall have the right to exercise his/her seniority by accepting a reassignment within the Department/Agency, to the position of the least senior employee in his/her job title for which the employee is qualified, in the same region or to any other region statewide, provided that the affected employee is less senior than the employee whose position is eliminated.

C. Alternatively, an employee whose position is being eliminated may elect to bump to a lower title in his/her job series, or to a title outside of the employee's job series in the next lower salary grade to the employee's current salary grade, for which the employee is qualified, within his/her region, provided that there are persons with less seniority in the lower title(s). This option is limited to the least senior employee in the affected title.

D. An employee electing to reassign/bump as set forth above, must upon request provide to the Appointing Authority an updated resume at the time of his/her notification of his/her intention to reassign/bump.

E. For the purpose of this Article the geographic regions shall be defined and agreed to by HRD, the Union President of the Local affected and the appropriate representative of the Department/Agency.

F. Employees who physically work in a particular region will be included in that region for bumping, layoff and recall regardless of the office to which their position is posted.

G. A full-time employee whose position has been eliminated has a right to be reassigned to the position of the least senior employee in the appropriate departmental unit, region, appointing authority or statewide.

H. If the position of the least senior employee is a part-time position, the full-time employee whose position has to be eliminated may elect to:

1. Accept the part-time hours;
2. Accept reassignment to the position of the least senior full-time employee; or
3. Be laid off.

I. The least senior full-time employee who is displaced as a result of the operation of Section G.2 above may: 1) Accept reassignment to the position of the least senior part-time employee in the same title provided the part-time employee is less senior, 2) be laid off, or 3) exercise bumping rights.

J. A part-time employee whose position is eliminated may accept reassignment to the position of the least senior employee in the appropriate departmental unit, region, Appointing Authority or statewide. The part-time employee unwilling or unable to accept the hours of the position of the least senior employee shall be laid off.

K. In all of the aforementioned personnel transactions in this Article, any employee who has been notified that he/she will actually be laid off shall file with his/her Appointing Authority, within four (4) working days of receipt of such notice, a written request to reassign in title, or bump down to displace other positions occupied by employees based upon their seniority and qualifications. As used in this Article, qualifications shall mean objectively demonstrable knowledge, skills, and/or abilities. Appeals of employees denied the opportunity to reassign/bump due to qualifications as defined herein shall be processed in accordance with provisions outlined in the parties' memorandum of understanding regarding expedited arbitration as set forth in Appendix D.

L. It is agreed that the provisions of this Article do not preclude an employee from requesting and the Appointing Authority from granting, a voluntary layoff regardless of the employee's seniority in the Department. It is understood that this option of voluntary layoff shall include, but is not limited to recall rights, and payment for all accrued vacation time.

Section 18.5 Transfers

A. Within the Department/Agency- the employee who is to be laid off shall have the opportunity to transfer laterally to a fillable, vacant bargaining unit title, within the jurisdiction of his/her present Appointing Authority, for which he/she is qualified.

B. Between Agencies - the employee who is to be laid off may file a request for transfer to any agency in state service. Upon approval of that agency, such employee may be appointed to any vacancy in the bargaining unit in the same grade and title or any similar title for which he/she might meet the necessary qualifications in the same or lower salary range as the position from which he/she was laid-off. Seniority shall be the determining factor in the event one or more such employees are seeking the same position in another state agency.

Section 18.6

- A. The Department/Agency shall maintain a regional recall roster from which laid-off employees will be recalled, to positions to be filled, in accordance with their seniority and in accordance with their qualifications to perform the work. As soon as it is administratively feasible, the Commonwealth shall establish and maintain a statewide recall roster.
- B. If the title of the employee is abolished as a result of the transfer of the functions to another department/agency, such employee may elect to have his/her name placed on the recall roster or to be transferred, subject to the approval of the Appointing Authority, to a similar position in such department/agency without loss of seniority, retirement, or other rights and in accordance with paragraph "A" above.
- C. The Department/Agency shall appoint employees on the recall roster, prior to the appointment of any other applicant, to fillable vacant Bargaining Unit 6 positions for which the laid off employee is determined qualified by the Employer.
- D. A laid off employee will remain on the recall roster for three (3) years except an employee who is offered recall to a position in the same job grade as the position from which he/she was laid off, and refuses such offer shall be removed from the recall list and his/her rights shall terminated at that time.
- E. Notwithstanding the above, a laid off employee who fails to respond in writing to a notice of recall within seven (7) calendar days of the receipt of such offer or who upon acceptance of the recall offer fails to report to work on the appointed date, shall forfeit any further recall rights.
- F. Notices of the recall sent by the Appointing Authority to a laid off employee and the employee's notice of acceptance, or rejection of said recall shall be sent by certified mail, return receipt requested.
- G. Whereas the parties wish to ensure that the least senior employee is terminated first under the procedure for lay off and recall of non-civil service employees specified in Article 18, it is agreed as follows: the Employer shall appoint to a permanent non-civil service vacancy the temporary employee with the most seniority within the job title within the work unit.

Section 18.7

Employees who are separated from employment as the result of the implementation of the layoff /bumping procedures and who are subsequently recalled to employment shall for purposes of determining their salary upon recall under Article 12, be credited with their prior service and shall not upon recall be considered to be "hired, reinstated or re-employed" notwithstanding the provisions of Article 12 to the contrary.

Section 18.8

In computing seniority as defined in this Article any break in service or any time off in excess of thirty (30) days shall be excluded from the total seniority except approved military, maternity, educational and industrial accident leave.

Section 18.9

The parties may, by agreement in writing, alter the implementation of this Article to meet the varying needs of the particular department/agencies.

ARTICLE 19 SAFETY AND HEALTH

Section 19.1

- A. The Employer agrees to provide a safe, clean wholesome surrounding in all places of employment.
- B. Each Department head shall issue instructions to all supervisory personnel to carry out the provisions of this Article.
- C. When an employee reports any condition which he/she believes to be injurious to his/her health to the administrative head of a work location, the administrative head shall correct the situation if within his/her authority, or shall report said complaint to his/her supervisor.
- D. A copy of the provisions of this Article shall be conspicuously posted in each work location.
- E. In all new places of employment, where the Union alleges that the air quality is inferior, the person in charge of the location will make reasonable efforts to have air quality checked. If the air quality is found to be sub-standard, the person in charge of the location shall make reasonable efforts to improve it.
- F. Whenever temperature inside any work location is unusually hot or cold, the person in charge of such work location shall immediately contact the person responsible for the building to determine the cause and probable length of time necessary to correct the problem.
- G. The Employer will make every reasonable effort to abate asbestos containing materials as recommended by the Division of Occupational Hygiene. Where such cleanup is not possible, the Employer will make every effort to avoid making work assignments, which will unduly expose employees to known hazardous materials.
- H. Pregnant employees who work in conditions/situations deemed hazardous or dangerous to the pregnancy by the attending physician may request a temporary reassignment within their job description or a comparable position, and may be reassigned within two (2) weeks of notification for the duration of the pregnancy. Upon request by management, the employee will provide medical evidence. Such work assignments shall be determined by the appointing authority or his/her designee. This request must be made in writing to the Appointing Authority.
- I. Grievances involving the interpretation or application of the provisions of this Article may be processed through Step III of the grievance procedure set forth in Article 23, but may not be the subject of arbitration.

Section 19.2

The Parties agree to establish a program to monitor air quality at new and existing worksites. The parties agree to negotiate over the specific provisions of such a protocol within 60 days.

ARTICLE 19A
MANAGEMENT DIRECTIVES

It is understood and agreed that Directives affecting working conditions of employees in the bargaining unit, will be forwarded to the Union in order for the Union to have the opportunity to meet and confer with management upon the impact of the directive.

ARTICLE 19B
TRAINING AND CAREER LADDERS

Section 19B.1 General

The Employer and the Union recognize the importance of training programs, the development of career ladders and of equitable employment opportunity structures and seek here to establish a process for generating such program recommendations and their implementation.

Section 19B.2 Committee

Toward these ends, the Employer and the Union agree to establish a Statewide Training and Career Ladders Committee consisting of four (4) persons appointed by the Union and four (4) persons appointed by the Chief Human Resources Officer. Such committee shall function continuously throughout the life of this Agreement.

ARTICLE 20 REASSIGNMENTS

Section 20.1

Management may implement geographical reassignments in accordance with departmental needs and shall request volunteers for said reassignments prior to making mandatory reassignments. An employee who is adversely affected by the reassignment may request a discussion of said reassignment with the Appointing Authority or his/her designee. In the discussion the Employer shall take into consideration the family lifestyle of the employee, the distance of the reassignment, the availability of car pools and/or public transportation and/or any other employee hardship.

Section 20.2

The Commonwealth and the Union recognize the efficiency of promoting energy saving endeavors by offering an alternative to employees who may commute lengthy distances to and from their homes to work. The parties therefore agree to initiate a pilot program to implement job swapping opportunities between employees that work in the same job title and functions and within the same agency, but at geographically disparate work locations. Employees requesting a swap may file their request with the Agency's human resource office. When two or more employees submit matching swap requests the Agency shall favorably consider the swap unless one or more of the following conditions apply:

1. The swap would unduly interrupt client services or operational efficiency at either or both of the swap locations
2. One or more of the applicants has had an unsatisfactory performance review in the preceding year or one or more of the applicants currently has a corrective action plan in place
3. One or more of the applicants would be unable to perform the duties of the position to which they wish to swap without substantial training

An employee who enters into a swap will not be able to do so again for two (2) years. Employees shall not be able to enter into a swap during their new employee or promotional probation period, nor within twelve (12) months of entering a job title.

Swap requests by two or more employees to the same position shall be determined by seniority as measured by length of service within the Agency. If seniority is equal, then length of state service will be used to determine the more senior employee.

The Office of Employee Relations, the designated Pilot Agency and the Union shall establish a committee to review and monitor implementation of this program and recommend changes as necessary. This pilot program shall be in effect for two years from date of signing and shall be implemented in the Department of Environmental Protection and the Department of Revenue.

The parties agree that there shall be a special Labor Management Committee established to discuss telecommuting, 4-day work weeks and additional energy saving endeavors.

ARTICLE 21
CREDIT UNION DEDUCTION

The Commonwealth agrees to deduct from the regular salary payments (not a draw) of employees an amount of money, upon receipt of the employee's written authorization for the deduction for the purchase of shares in, making deposits to, or repaying a loan to a credit union organized under appropriate provisions of the Massachusetts General Laws. Any written authorization may be withdrawn by the employee by submitting a written notice of withdrawal to the Commonwealth and the treasurer of the credit union thirty (30) days in advance of the desired cessation of payroll deduction.

ARTICLE 22

ARBITRATION OF DISCIPLINARY ACTION

Section 22.1

No employee who has been employed in the bargaining unit described in Article 1 of this Agreement for six consecutive months or more shall be discharged, suspended, or demoted for disciplinary reasons without just cause. An employee who severs his/her employment with the Commonwealth must serve an additional probationary period upon re-employment whether in the same or a different job title.

Section 22.2

In the event that an employee is not given a departmental hearing prior to the imposition of discipline or discharge, then a grievance alleging a violation of Section 1 of this Article shall be submitted in writing by the aggrieved employee to his/her agency head within ten (10) working days of the date such action was taken.

Section 22.3

A. In the event that an employee is given a departmental hearing prior to the imposition of discipline or discharge, a grievance alleging a violation of Section 1 of this Article shall be submitted in writing by the aggrieved employee to his/her agency head within ten (10) working days of the date such action was taken. Upon receipt of the grievance at Step II, the Appointing Authority shall review the actions taken at the lower level and shall either:

1. Hold a full conference at Step II and the provisions of "Article 23 – Grievance Procedure" shall apply, or,
2. Issue a written decision to waive the grievance to Step III and the provisions of "Article 23 - Grievance Procedure" shall apply.

B. In those agencies where the Step I and Step II authorities are the same and where a grievance has initially been filed at either Step I or Step II, pursuant to this Article, grievances filed under this Section shall be submitted to Step III.

Section 22.4

As a condition precedent to submitting a grievance alleging a violation of Section 1, pursuant to "Article 23 - Grievance Procedure", the Union and the employee involved shall sign and give to the Employer, on a form prepared by the Employer (Appendix B), a waiver of any and all rights to appeal the disciplinary action to any other forum including the Civil Service Commission. The waiver shall include a declaration that no other disciplinary review has been commenced.

Section 22.5

A. Should the Union submit a grievance alleging a violation of Section 1 to arbitration pursuant to Article 23 the arbitration shall be conducted on an expedited basis.

B. An employee and/or the Union shall not have the right to grieve, pursuant to Articles 22 or 23, disciplinary action taken as a result of the employee engaging in a strike, work stoppage, slowdown or withholding of services unless the Union alleges that the employee did not engage in such conduct.

ARTICLE 23 GRIEVANCE PROCEDURE

Section 23.1

The term "grievance" shall mean any dispute concerning the application or interpretation of the terms of this Collective Bargaining Agreement.

Section 23.2

The grievance procedure shall be as follows:

Step I An employee and/or the Union shall submit a grievance in writing, on the grievance form prepared by the Employer (Appendix C) to the person designated by the agency head for such purpose not later than twenty-one (21) calendar days after the date on which the alleged act or omission giving rise to the grievance occurred or after the date on which there was a reasonable basis for knowledge of the occurrence. Such grievance shall identify the Article(s) believed to have been violated, state how and when the Article(s) was violated and state the remedy sought. The person so designated by the agency head shall reply in writing by the end of seven (7) calendar days following the date of submission, or if a meeting is held to review the grievance by the end of twenty-one (21) calendar days following the date of the submission.

Step II In the event the employee or the Union wishes to appeal an unsatisfactory decision at Step I, the appeal shall be presented in writing, on the grievance form prepared by the Employer to the person designated by the agency head for such purpose within ten (10) calendar days following the receipt of the Step I decision. Such grievance shall identify the Article(s) believed to have been violated, state how and when the Article(s) was violated and state the remedy sought. The agency head or his/her designee shall meet with the employee and/or the Union for review of the grievance and shall issue a written decision to the employee and/or the Union within fourteen (14) calendar days following the day the grievance is filed.

Disciplinary grievances filed at Step II or Step III of the grievance procedure, must also contain the "Waiver of Right to Appeal Disciplinary Action" form (as outlined in Article 22). Grievances not containing the signed waiver by the date of the scheduled conference or the rendering of a decision shall be considered denied.

In disciplinary matters for which the agency head or his/her designee issues a decision to waive the grievance to Step III as described in Article 22, Section 3, such written decision shall be issued within ten (10) calendar days following the day on which the appeal is filed at Step II. In such instances, the agency head or his/her designee shall forward a copy of the decision to waive the grievance to Step III, along with a copy of the disciplinary notice and the documentation presented by both parties at the pre-disciplinary hearing, to the Human Resources Division.

Step III In the event the employee or the Union wishes to appeal an unsatisfactory decision at Step II, the appeal must be presented, on the grievance form included in Appendix E of this Agreement, to HRD within ten (10)

calendar days of the receipt of the unsatisfactory decision at Step II and notice shall be given to the agency involved. Such grievance shall identify the Article(s) believed to have been violated, state how and when the Article(s) was violated and state the remedy sought. HRD shall issue a written reply by the end of the thirty (30) calendar days following the day on which the appeal was filed or if a conference is held by the end of the twenty-one (21) calendar days following the close of the conference. HRD, at Step III, shall have the authority to sustain, vacate or modify a decision or action taken at the lower level.

Step IV Grievances unresolved at Step III may be brought to arbitration solely by the Union by filing a completed Request for Arbitration form with the Human Resources Division. Such form must be filed within thirty (30) calendar days of the receipt of an unsatisfactory Step III response. Simultaneous notice shall be given to the agency involved.

Section 23.3

The parties agree to explore Alternative Dispute Resolution options throughout the grievance procedure to the extent outlined in Section 15 of this Article.

Section 23.4

Once arbitration has been requested by the Union a hearing shall be held no later than twelve (12) months from such request. If a hearing is not held within the twelve (12) months period due to inaction of the Union, the grievance is thereby withdrawn with prejudice but without precedence.

Section 23.5

The parties will attempt to agree on an Arbitrator on a case-by-case basis. Failing such agreement within thirty (30) days of HRD's receipt of the Request for Arbitration, if HRD has not proposed to the Union a list of arbitrators acceptable to HRD or if there has been no agreement on an arbitrator the Employer or the Union may file said Request for Arbitration with the American Arbitration Association under its Voluntary Labor Arbitration Rules.

Section 23.6

The arbitrator shall have no power to add to, subtract from or modify any provision of this Agreement or to issue any decision or award inconsistent with applicable law. The decision or award of the arbitrator shall be final and binding in accordance with Massachusetts General Laws, Chapter 150C.

Section 23.7

All fees and expenses of the arbitrator, if any, which may be involved in the arbitration proceeding shall be divided equally between the Union and HRD. Each party shall bear the cost of preparing and presenting its own case except in the case of an untimely cancellation by either of the parties; then such expense shall be borne solely by the party at fault.

Section 23.8

If a decision satisfactory to the Union at any level of the grievance procedure other than Step IV is not implemented within a reasonable time, the Union may re-institute the original grievance at the next step of the grievance procedure. A resolution of a grievance at either Step I or II shall not constitute a precedent.

Section 23.9

If the Employer exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may assume that the grievance is denied and invoke the next step of the procedure, except, however, that only the Union may request impartial arbitration under Step IV. However, no deadline shall be binding on the grievant and/or the Union until a required response is given.

Section 23.10

In any disciplinary matter, once a conference has been held at either Steps II or III, or in any non-disciplinary matter, once a conference has been held at Steps I, II or III, neither party shall substantively change, modify or expand the charges, arguments, witness list or written documentation presented at that previous conference at the next step of the grievance procedure without endeavoring to give notification to the other party prior to the next scheduled conference or arbitration.

Section 23.11

Any step or steps in the grievance procedure, as well as time limits prescribed at each step of this grievance procedure, may be waived by mutual agreement of the parties in writing.

Section 23.12

Each Department/Agency head shall designate a person(s) to whom grievances may be submitted at Step I and/or Step II.

Section 23.13

The union steward at Step I and the Union Representative at Step II, whichever is appropriate, shall be notified of grievances filed by an employee on his/her own behalf and shall have the opportunity to be present at grievance meetings between the employee and the Employer held in accordance with the grievance procedure.

Section 23.14

It is agreed that grievances may be filed by the Union electronically, either by facsimile or by email as a scanned document.

Section 23.15

A. A sub-committee of the Commonwealth's Joint Labor-Management Committee, consisting of four (4) people designated by the NAGE and four (4) people designated by the Commonwealth, shall meet and develop mutually agreed upon policies and implementation procedures for an Alternative Dispute Resolution Program which may include an option for mediation or a binding tri-partite panel at the Step III grievance level.

B. Furthermore, the committee shall meet bi-monthly to review the Commonwealth's grievance procedure, review training needs related to the grievance procedure and to review individual labor-management proposals jointly submitted by the agency and union representatives regarding alternative dispute resolution pilot programs, training needs and possible improvements to the efficiency of the grievance procedure.

C. At, or following, the Step III stage of the grievance procedure and in certain designated agencies, Alternative Dispute Resolution (ADR) pilot programs shall be developed with a goal for initial implementation within six (6) months from the signing of the agreement. ADR programs may include, but shall not be limited to, mediation, an oral Step I grievance and review conferences.

Section 23.16 Alternative Dispute Resolution (ADR) Funding

The Commonwealth shall pay for all costs incurred in compensating neutrals under the alternative dispute resolution obligations of this Article and the side-letter between the parties dated September 25, 2001. The parties agree that this obligation shall extend to an average of one day per month for the life of this agreement.

ARTICLE 24 PERSONNEL RECORDS

Section 24.1

Each employee shall have the right, upon request, to examine and copy any and all material, including any and all evaluations, contained in any personnel records concerning such employee. The Union shall have access to an employee's records upon written authorization by the employee involved.

Section 24.2

Whenever any material, including evaluations, is to be inserted into the official personnel file or record of an employee, the employee shall be given a copy of such material upon its insertion. Whenever any material, including evaluations, is inserted into the personnel file or record of an employee, such material shall be date stamped before its insertion.

Section 24.3

A. The Union or any employee may challenge the accuracy or propriety of any material and/or evaluations in their personnel file or record by filing a written statement of the challenge in the official personnel file or record.

B. The Union or any employee may file a grievance based on a performance evaluation or on any material either of which results in a negative action. Upon a determination at any step of the grievance procedure that such performance evaluation, any other material or portion thereof, is either inaccurate or improperly placed in such employee's personnel record such inaccurate evaluation, material, or portion thereof, shall be removed from the file together with any of the employee's statement or statements thereto.

C. Notwithstanding the provisions of Paragraph B above, an employee may file a grievance challenging any written memorandum which reprimands the employee for prior conduct or omissions and which warns the employee that further transgressions may result in suspension, demotion or discharge. Said memorandum will be found to violate this Agreement only if it is arbitrary, discriminatory or if it contains allegations which are erroneous. Said grievances shall be grievable to Step II.

D. The parties agree that reprimands that have been placed into the personnel record of an employee which are more than two and one-half (2 ½) years old from the date of the issuance of the reprimand, provided there has been no subsequent discipline imposed, shall be removed from the personnel record.

E. There shall be only one (1) official personnel file or record maintained by the Employer. Information not included in the official personnel file or record shall not be considered valid information and shall be purged.

ARTICLE 24A
PERFORMANCE EVALUATION

Section 24A.1

The Employee Performance Review System (EPRS) shall permit variations in format between various departments and agencies. There shall be no variation in format within the same Department/Agency for the same job titles. Any format must meet the following criteria (subject to formal promulgation under M.G.L. c. 31, sections 4 and 6A):

- A. All employee evaluations shall be in writing and shall be included in the employee's official personnel file. The Union shall be notified should the employee lack English proficiency to understand the evaluation and its process. All EPRS evaluations shall be based on a "Meets" expectations, "Exceeds" expectations, or "Below" expectations standard.
- B. Evaluations shall be completed by the employee's immediate state supervisor and be approved by a state supervisor of a higher grade designated by the Appointing Authority (except in cases of potential conflict of interest or other legitimate reasons).
- C. A Final Formal EPRS evaluation shall be completed once per year for each member of the Bargaining Unit. Probationary employees shall be evaluated by the mid-point of their probationary period. However, the standard EPRS program shall commence no later than the first July 1st of their employment.
- D. Prior to each evaluation period the supervisor shall meet with the employee and shall inform the employee of the general performance dimensions and procedures to be utilized in evaluating the employee's performance.
- E. The performance dimensions shall be objective and job-related.
- F. At least once during the evaluation period, at or near its mid-point, the supervisor shall meet with the employee to review the employee's progress. The employee shall have two (2) work days to review the evaluation prior to signing it. A remedial development plan shall be formulated jointly if the mid-term review results in a rating of "Below".
- G. At or near the end of the evaluation period, the supervisor shall meet with the employee and inform the employee of the results of the evaluation. Following the employee's review, the form shall be submitted to the higher level supervisor for final determination of ratings. The employee shall have two (2) work days to review the evaluation prior to signing and shall be given a copy of the completed form. The employee shall sign the evaluation and indicate whether he/she agrees or disagrees with the content thereof.

Section 24A.2

There shall be established within each agency a Labor/Management Committee, consisting of not more than four (4) representatives of each party, which shall meet at reasonable times to discuss any problems or issues surrounding the Performance Evaluation System.

Section 24A.3

A. Any employee who has received a rating of "Below" will have his/her evaluation reviewed monthly by the appointing authority or his/her designee, who shall review all the circumstances of the rating. The appointing authority or his/her designee may redetermine the rating after reviewing the circumstances of the initial evaluation. If the appointing authority or his/her designee redetermines the rating the employee will receive the increase retroactive to the date of original step increase due, or Article 12 increase, whichever is appropriate. If the appointing authority or his/her designee does not redetermine the rating the employee may file, through the NAGE within fourteen (14) days with the Human Resources Division, a request for a review of the appointing authority's or his/her designee's determination by a tripartite panel consisting of one person designated by the NAGE, one person designated by the Chief Human Resources Officer and one person designated by the Chairperson of the Board of Conciliation and Arbitration who shall be assigned on a rotating basis. The standard of review to be applied by the panel shall be solely limited to whether or not the final performance rating of "Below" was justified. The decision of the tripartite shall be final and binding and any employee having a "Below" rating overturned shall be made whole in as prompt a manner as possible. Any costs associated with this process will be borne equally by the parties.

B. The Department/Agency shall develop a remedial plan for an employee receiving any "Below" rating. Employees that may be nearing a "Below" rating shall be counseled by his/her supervisor as soon as possible, in advance of their final stage of the evaluation as to the specific areas that must be improved and what they must do to attain a "Meets" rating.

C. All performance merit ratings shall be based upon the EPRS system as found in this Article of the NAGE Agreement and all payment of salary and/or step increases shall be based upon current language found in Article 12 related to pay for performance.

D. All financial considerations (i.e. merit increases, step rate increases) shall be based on the employee's most recent, final annual evaluation.

Section 24A.4

Nothing in this Agreement shall be construed as limiting in any way any other appeal rights provided by law, except that the appeal procedures provided in this Agreement shall not be available to any employee who elects to appeal his/her evaluation rating under the provisions of G.L. c. 31, section 6C.

Section 24A.5

The Committee shall also discuss problems involving the Performance Evaluation System which are unrelated to the Department/Agency Labor Management Committees established above.

ARTICLE 29
APPROPRIATION BY THE GENERAL COURT

The cost items contained in this Agreement shall not become effective unless appropriations necessary to fully fund such cost items have been enacted by the General Court in accordance with M.G.L. c.150E, section 7, in which case, the cost items shall be effective on the date provided in the Agreement. The Employer shall make such request of the General Court. If the General Court rejects the request to fund the Agreement, the cost items shall be returned to the parties for further bargaining.

ARTICLE 30
DURATION

NATIONAL ASSOCIATION OF GOVERNMENT EMPLOYEES**

The Commonwealth of Massachusetts through the Human Resources Division (HRD) and the Union are parties to a Collective Bargaining Agreement which provides for employees covered by the terms and conditions of the Agreement to have their salaries directly transferred electronically. Whereas the Union has expressed concern that not all members would be able to avail themselves of the electronic transfer because of severe hardship, the Parties agree as follows:

1. The Commonwealth and the Union agree that all employees will have their net salary checks electronically forwarded to an account or accounts selected by the employee.
2. In the extraordinary event that the Union alleges that an employee cannot comply with the collective bargaining agreement relative to the electronic transfer due to severe hardship such as inability to access a bank or financial institution during off hours or, there is no ATM available within a reasonable geographic distance from an employee's worksite or home, the Union shall petition the Human Resources Division for a Direct Deposit Special Exemption.
3. The Human Resources Division, in concert with the Office of the State Comptroller, shall review the request for the Direct Deposit Special Exemption filed by the Union and will notify the Union of its finding.
4. The Parties agree that no other appeal may be commenced by the employee or the Union relative to the Direct Deposit Special Exemption and further, that this Memorandum is not grievable and is inarbitrable.

**CODE OF CONDUCT
COMMONWEALTH OF MASSACHUSETTS
UNIT SIX**

"No responsibility of Government is more fundamental than the responsibility for maintaining the highest standards of ethical behavior by those who conduct the public business. There can be no dissent from the principle that all officials must act with unwavering integrity, absolute impartiality, and complete devotion to the public interest. This principle must be followed not only in reality but in appearance. For the basis of effective government is public confidence, and that confidence is endangered when ethical standards falter or appear to falter."

*President John F. Kennedy
April 27, 1961*

1. INTRODUCTION

This document constitutes a Handbook and Code of Conduct for all NAGE Unit 6 employees of the Commonwealth of Massachusetts. This Code is designed to give all employees full and fair notice of their professional and ethical obligations.

The fundamental mission of the Department of Revenue is to foster, to the fullest extent possible, voluntary compliance with the Commonwealth's revenue laws. Public confidence in the integrity and dependability of the Department and its employees is essential to achieving this goal.

We can maintain that confidence only to the extent that all of our official activities and all of our contacts with the public reflect the highest ethical and moral standards. We must perform our duties with integrity and propriety. We must also do all in our power to ensure that none of our words or actions can be interpreted otherwise.

This Code is written for your own protection. It strives to impart three fundamental messages:

- A. *Every employee must scrupulously avoid any actual conduct which constitutes a conflict of interest or conduct which gives the reasonable basis for the impression of a conflict of interest between his/her private interests, usually financial, and the public interest. The public interest must always take precedence;*
- B. *Every employee is prohibited from either taking some action, or failing to perform some duty, which would personally benefit himself/herself or give preferential treatment to any citizen;*

- C. *Every employee is prohibited from taking any action which would result in illegal receipt of public or private funds.*

Guidance-both on what we are expected to do and on what we are prohibited from doing-should help all of us understand generally what is expected of us. It should also help resolve particular situations we are faced with in our daily work.

Please read these rules carefully and aide by their spirit as well as their letter. Each of us can take pride in belonging to an organization which contributes so much to the growth, strength and quality of life of the Commonwealth.

2. DEFINITIONS:

As used in this Code, unless the context requires otherwise:

- a. *"administrative inquiries" - means those occasions when an employee is required to respond to questions of importance to the agency/department when directed to do so by his/her Appointing Authority or that Authority's designee.*
- b. *"disciplinary action" - means any action taken by the Appointing Authority to discipline an employee, and when applicable in accordance with the provisions of the collective bargaining agreement or civil service law.*
- c. *"employee" - means any person in the Alliance on the current personnel roster of the agency/department. This shall include all bargaining unit workers; those who are on any form of leave of absence; workers who are serving suspension.*
- d. *"immediate family" - means the employee and his/her spouse and their parents, children, brothers and sisters.*
- e. *"nominal value" - means monetary worth not exceeding twenty-five dollars (\$25.00).*
- f. *"official action" - means any activity performed or required to be performed by an employee in the course of his/her official duties.*

3. REGULATORY BASIS

This handbook and Code of Conduct is issued pursuant to the powers of the Commissioner of Administration, as set forth in Chapter 7, Section 4 of the General Laws, and in accordance with, but not limited to M.G.L. Ch. 268A. Opinions of the Attorney General, Ethics Commissions Rulings and applicable management rights provisions of any relevant collective bargaining agreements.

4. GENERAL RULES

A. The Code Generally

- 1. *Applicability of Code*
The Code applies to all Bargaining Unit 6 employees including those on any type of leaves (e.g., leave without pay, military leave, civic-duty leave, etc.)

2. Scope of Code
This Code is not to be considered all-inclusive. The absence of a specific published rule of conduct does not mean or imply that any act of misconduct tending to discredit an employee is condoned or permissible or would not result in disciplinary action, up to and including termination.

3. Knowledge of Code
Each employee is required to know the Code of Conduct and rules contained herein; to seek information from his/her appointing authority, the appointing authority's designee or personnel office in case of doubt or misunderstanding as to their application.

Decisions in personnel matters involving disciplinary action will be based on the assumption that each employee has familiarized himself/herself with this Code and that he or she is aware of the obligation to abide by it.

4. Effect of Code
Employees whose conduct does not conform to the rules and guidelines contained in this Code may be subject to disciplinary action, up to and including termination. Any disciplinary action taken will conform to civil service law and/or the provisions of the collective bargaining agreement.

5. Distribution of Code
Each appointing authority or his/her designee will see that each employee receives a copy of this Code. Employees will acknowledge receipt of the Code by signing the attached Receipt of Code of Conduct Form (Form CC-3) in the space provided. In each instance, the signed Receipt Form will be returned to the employee's appointing authority or his/her designee within ten days of receipt, and filed in the employee's personnel folder. The employee's signature on the Receipt Form is notice of his/her obligation to familiarize himself/herself with the contents of the Code of Conduct and to abide by it. (An audio tape of the Code shall be made available at no cost to any employee who reasonably requires it.)

Each appointing authority or his/her designee will be responsible for providing accurate information and guidance to his/her employees with regard to the specifics of the Code and may from time to time offer training sessions on the Code to his/her employees as the need arises.

6. Effective Date of Code
The effective date of the Code shall be ten days after the Code of Conduct is distributed and the Code of Conduct Receipt Form is received by the employee(s).

B. Conformance to Laws

Employees shall obey the laws of the United States and the Commonwealth of Massachusetts. Any employee who is convicted of a crime relating to his/her employment shall be subject to discipline.

Any employee who has been indicted or arrested for a serious crime, supported by a judicial finding or probable cause in a preliminary hearing when the nature of the charge with its attendant publicity reasonably gives rise to legitimate fear for the safety of other employees, the property of the Commonwealth, or jeopardizes the public trust in the ethical standards of agency/departmental employees or undermines trust in the integrity of the Commonwealth's system of tax administration or the administration of other laws of the Commonwealth, may also be subject to suspension without pay or other employee benefits, pending resolution of the case.

If the employee is found guilty, pleads nolo contendere, has his/her case continued without a finding, is granted immunity from prosecution or has his/her case filed, further disciplinary action, including termination, may be taken. If the employee is found not guilty, or the case is nolle prosequi or dismissed, the employee shall be immediately reinstated to employment retroactive to the date of suspension without loss of wages or other employee benefits.

C. Conformance to Policies, Procedures and Directives

Employees shall comply with all of the policies and operating procedures of the agency/department in which they work. This requirement includes, but is not limited to, all agency/departmental policies and procedures. Employees shall respond forthrightly and promptly to the work-related directives of their supervisors.

D. Conduct, Attitude and Demeanor

Employees are expected to conduct themselves in their official relations with the public and with their fellow employees in a manner which will enhance public respect for, and confidence in, the employee and in the Commonwealth as a whole. They must not only perform their duties in a wholly impartial manner, but must avoid any conduct which gives the reasonable basis for the impression of acting otherwise.

Specifically, all employees shall avoid any action which may result in or create the reasonable basis for the impression of:

- (a) using public office for private gain;*
- (b) giving preferential treatment to any citizen;*
- (c) making work-related decisions contrary to agency/departmental policy;*
- (d) using one's official position to harass or intimidate any person or entity outside the course of official duties.*

E. Administrative Inquiries

Employees must respond promptly and fully to administrative inquiries when directed to do so.

F. State Ethics Commission Financial Disclosure Requirements

Employees who are required to file a "Statement of Financial Disclosure" with the State Ethics Commission, under the provisions of M.G.L. Chapter 268B, shall do so in a timely manner as prescribed by the State Ethics Commission. The State Ethics Commission will notify each employee who is required to file such a statement.

All Department of Revenue employees who are required to file such a Statement with the State Ethics Commission shall file a copy of the Statement with the Commissioner of the Department of Revenue on or before the date such Statement shall be filed with the State Ethics Commission.

5. CONFLICT OF INTEREST

The necessity for the fair and impartial administration of state government and the enforcement of its laws makes the avoidance of any conflict of interest of primary importance. A conflict of interest is a situation in which an employee's private interest, usually financial, conflicts or raises a reasonable question of conflict with his/her official duties and responsibilities.

Chapter 268A of the General Laws provides criminal and civil penalties for conflict of interest violations. The following three general categories of prohibitions are to be used as guidelines for your information (Chapter 268A of the General Laws offers specific details.):

- 1. No employee may request or receive, in any manner whatsoever, compensation or anything else of value, except from the Commonwealth: (a) for performance of his/her duties; or (b) for influencing or appearing to influence such performance.*
- 2. No employee may participate in any official action relating to any entity in which the employee or a member of his/her immediate family has a financial interest.*
- 3. No employee may participate in any official action relating to any individual with whom or entity in which the employee has a substantial personal interest.*

Employees have an obligation to avoid scrupulously the potential conflicts of interest which exist in their employment. They have a duty to disclose and report promptly the existence or possible existence of a conflict of interest to their agency head or his/her designee. They should request from their supervisor the transfer from their caseload of any case which involves their immediate family, close friend or any person with whom or entity in which they have some personal or financial involvement.

In addition, they have a right under law to have any question relating to a possible conflict of interest confidentially reviewed and decided by the State Ethics Commission. Information regarding the filing of a conflict of interest request with the State Ethics Commission is available from the agency head or his/her designee or from the Ethics Commission directly.

In addition to the sanctions referred to above, M.G.L. Chapter 268A, Section 23 also prescribes and describes certain "Standards of Conduct." Violations of these standards are subject to appropriate disciplinary action. All employees are required to abide by the spirit as well as the letter of these standards, which provide as follows:

"No current or former officer or employee of a state, county or municipal agency shall:

- (1) accept other employment which will impair his independence of judgment in the exercise of his official duties;*
- (2) use or attempt to use his official position to secure unwarranted privileges or exemptions for himself or others;*
- (3) by his conduct give reasonable basis for the impression that any person can improperly influence or unduly enjoy his favor in the performance of his official duties, or that he is unduly affected by the kinship, rank, position or influence of any party or person."*

"No current or former officer or employee of a state, county or municipal agency shall:

- (1) accept employment or engage in any business or professional activity which will require him to disclose confidential information which he has gained by reason of his official position or authority;*
- (2) improperly disclose materials or data within the exemptions to the definition of public records as defined by Section Seven of Chapter Four of the General Laws, and were acquired by him in the course of his official duties nor use such information to further his personal interests." (See Massachusetts General Laws, Chapter 268A, Section 23.)*

These rules with respect to conflicts of interest are in addition to, and supplement, state policies and agency/departmental rules, regulations and operating procedures that may otherwise apply to the official actions of employees.

(In the event that the Appointing Authority, or his/her designee, approves a particular activity and the Ethics Commission subsequently determines that such activity is a conflict of interest, the appointing authority will not discipline the employee for such activity. However, only the Ethics Commission, and formerly the Attorney General, have the authority to issue an opinion interpreting M.G.L. Chapter 268A, which is binding.)

6. GIFTS AND GRATUITIES FROM OUTSIDE SOURCES

A. General Limitations

Employees shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan or any other thing of monetary value, from a person who or entity which, the employee knows or has reason to know:

- (1) Has, or is seeking to obtain, contractual or other business or financial relations with his/her agency/department;*
- (2) Conducts business or other activities which are regulated or monitored by the agency/department, except as permitted by this section or by agency/departmental directives; or*
- (3) Has interests that may be or give the reasonable impression of being substantially affected by the performance or nonperformance of the employee's official duties.*

B. Exceptions:

The restrictions set forth in paragraph A of this Section do not apply to:

- (1) Obvious family or personal relationships when the circumstances make it clear that those relationships, rather than the business or the persons concerned, are the motivating factors behind any gift or gratuity.*
- (2) The acceptance of food or refreshments of nominal value on infrequent occasions in the ordinary course of a breakfast, luncheon, dinner or other meeting attended for educational, informational or other similar purpose. However, agency/departmental employees are specifically prohibited from accepting free food or other gratuity except non-alcoholic beverages (coffee, tea, etc.), while on official business, from persons with whom they have contact in the performance of their official duties.*
- (3) The acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities of employees, such as home mortgage loans, automobile loans, personal loans, etc., provided that the employee does not deal with that institution in the course of his/her official duties. However, if dealing with such banks or financial institutions is unavoidable, the employee must disclose such dealings to the appointing authority in writing prior to engaging in such dealings.*
- (4) The acceptance of unsolicited advertising or promotional material, such as pens, pencils, note pads, calendars, and other items of nominal value.*
- (5) The acceptance of an award or gift of nominal value for a speech, participation in a conference, or some public contribution or achievement given by a charitable, religious, professional, social, fraternal, educational, recreational, public service or civic organization, if such organization falls within Paragraph A above.*
- (6) Acceptance of reimbursement, in cash or in kind, for travel, subsistence and other expenses incident to attendance at meetings, provided such attendance and reimbursement is approved by the appointing authority or his designee. Such reimbursement can be made directly to the employee.*

An employee on official business may not be reimbursed, and payment may not be made on his or her behalf, for excessive (e.g., reimbursement which exceeds actual costs) personal living expenses, gifts, entertainment, travel or other benefits. At no time shall an employee accept reimbursement from both the Commonwealth and another source for the same expenses.

7. OUTSIDE EMPLOYMENT AND BUSINESS ACTIVITY

A. Introduction: Principles

The Commonwealth seeks to give employees the maximum freedom possible to engage in outside employment or business activities consistent with the Commonwealth's responsibilities. However, the extremely sensitive mission of the Commonwealth and its employees necessitates certain restrictions. Employees may engage in outside employment or business activity provided such activity is not prohibited by this Code or by any statute, regulation or departmental order.

An activity that is permissible for the occupant of one position may very well not be permissible for the occupant of another position. Therefore, in considering each case on its individual merits, the employee must satisfy the following principles:

- (1) The outside activity would not place the employee in a situation where there is a conflict, or in a situation which gives the reasonable basis for the impression of a conflict, between his or her private interests and his or her official duties and responsibilities (see Section 5, above, "Conflict of Interest," for additional guidance).*
- (2) The outside activity (unless otherwise permitted by this code) would not relate directly to tax problems, preparation of tax returns or tax liabilities solely of others, whether federal, state or local taxes.*
- (3) The outside activity would not result in use, dissemination or disclosure to others of confidential information obtained in connection with the employee's departmental duties or position.*
- (4) The nature of the employment or business activity or the hours to be devoted to such activity would not impair the employee's availability, capacity of efficiency for the performance of his/her official duties as an employee of the Commonwealth.*
- (5) Employees shall not engage directly or indirectly in financial transactions as a result of, or primarily relying on, information obtained through their employment. In particular, they shall not use confidential information obtained in the course of their employment with the Commonwealth to obtain benefits, financial or otherwise, for themselves, their families or others.*

B. Activities Which Do Not Require Prior Notice

(1) Introduction

Employees are generally not required to submit written notice before engaging in outside activities which are not considered to be employment or

business. Although it is not feasible to cover every specific activity of this nature, the general categories discussed below are furnished as basic guidelines.

(2) General Examples

(a) *Membership and uncompensated services (including holding of office) in civic, scout, religious, educational, fraternal, social, community, veterans, or charitable organizations.*

Bookkeeping services provided to such organizations require prior written approval. (See Section 7 (C) (I) (b) (3).)

(b) *Services as a notary public or justice of the peace. (Except notarization of tax returns).*

(c) *Rental of employee-owned property, real or personal, to the extent such property is not rented to the Commonwealth of Massachusetts or any agency or subdivision thereof, or the lessee is not a subject of the employee's official duties.*

(d) *Minor services and odd jobs for friends, relatives, or neighbors. These include a wide variety of activities, including: repair or maintenance work such as painting, yard work, carpentry, or services such as babysitting and carpools involving payment for transportation.*

(e) *Temporary (thirty days or less) assistance in a family enterprise, in the event of an emergency, such as the death or serious illness/accident to a member of the family engaged in that business.*

(f) *However, no employee shall without appropriate disclaimer stating that the employee does not speak for the agency/department, take an active part or become an advocate on behalf of a professional society in any conflict between such society and the agency/department.*

C. Specific Prohibitions and Restrictions of Employment

(1) Outside Legal or Accounting Practice or Employment

(a) General Prohibitions

1. *No outside legal or accounting practice is permitted which is in violation of M.G.L. Ch. 268A. Specifically, employees are prohibited from receiving compensation from or acting as agent or attorney for anyone other than the Commonwealth in relation to any particular matter in which the Commonwealth a state agency is a party or has a direct and substantial interest.*
2. *Managerial employees are prohibited from engaging in outside legal or accounting practices for which they receive compensation.*
3. *Employees who hold Counsel I, Counsel II, or Tax Counsel positions shall not engage in the outside practice of law during normal business hours. In no event shall an employee holding a Counsel I, Counsel II or Tax Counsel position appear in court as an attorney on behalf of a private client.*

4. To the extent that outside legal or accounting practice is permitted, it must not interfere with the effective performance of an employee's official duties with the Department of Revenue.
